RE: Announcement of ASEAN Energy Youth Award (AEYA) 2020

Dear Akkharaphan Thaweesak,

Congratulations! the ASEAN Centre for Energy (ACE) wishes to inform you that your submission has been selected as the **2nd Runner Up of the Video – College Category**.

The committee will inform you at soonest separately regarding the trophy award and prize.

Congratulations for your great achievement and contribution to the nation-building, sustainable development, and energy transition in ASEAN.

Thank you and best regards,

Yours sincerely,
