

WORLD ENVIRONMENT DAY AT K MUTT BANGMOD CAMPUS

Energy Environment Safety and Health Center (EESH) together with the Office of Building and Ground Management held tree-planting activity to celebrate the World Environment Day under the concept of “Ecosystem Restoration” and to support the conceptual ideas of “Re-imagine, Recreate, Restore” and adjust to the new normal while caring for the environment. On 4 June 2021, the management team and staffs participated in planting trees around the Institute of Field Robotics (FIBO) building.
