

KMUTT GREEN NUDGES ROAD SHOW

The KMUTT Green Nudges Road Show was held on June 21-23, 2022 at Thammasat 1 Building (Female Dormitory) to raise awareness of environmental and energy conservation. Staff and staff within the university change their behavior to ensure the care of environmental energy conservation, resulting in a lifestyle within the university in the context of environmental sustainability. This is in line with KMUTT's policy of developing students into Green Heart. More than 300 teachers and students
