

KMUTT GREEN SCHOOL NETWORK 2024

On August 20, 2024, King Mongkut's University of Technology Thonburi (KMUTT), through the Energy, Environment, Safety, and Health Center (EESH), in collaboration with Green Heart students, organized an educational and leadership-building event for students and teachers from Rasburana School (Muhammad Uthit), Rang Ratchaphruek Nuchmee Uthit School, Khlong Rangjak School, Chusin Thongpradit Anusorn School, Wat Sarot School, Samakhibamrung School, Burana Sueksa School, and Na Luang School, with over 200 participants in total.

The event was honored by Assistant Professor Suchada Chaiyasawat, Advisor to the EESH Center, who presided over the opening ceremony. Several faculty members from the educational institutions also attended the event. The activities were designed to integrate knowledge and raise awareness about road safety, with a particular emphasis on wearing helmets, which helps prevent accidents and fosters a consciousness of safe road usage.

Additionally, there was an educational session on the dangers of social media and how to safeguard one's life and property. These activities align with the Sustainable Development Goals (SDGs) 2030, particularly Goal 11: Sustainable Cities and Communities, Goal 12: Responsible Consumption and Production, and Goal 13: Climate

Action.
