

KMUTT IN COLLABORATION WITH THE GREEN CYCLING CLUB NETWORK ORGANIZE ACTIVITIES ON NATIONAL CHILDREN'S DAY

KMUTT in collaboration with the Green Cycling Club network Organize activities on National Children's Day by bringing dolls and stationery that are no longer used received donations from the Green Heart student group, KMUTT community and the general public More than 100 pieces were distributed to students and youth in the community surrounding the university. On the occasion of National Children's Day on January 8, 2022 with a group of philanthropists from the Green Cycling Club network It is an important force in carrying out this activity. The aforementioned activities support the concepts and best practices in environmental conservation. Emphasis on the sustainable use of limited resources. The Green Heart student group is the main leader in public relations and implementation of this project. which was supported by the KMUTT community and the general public to donate This activity is consistent with SDGs Goal 12, Achieving Sustainable Management and Efficient Use of Natural Resources.
